Spectators with Disabilities

M.C.C. recognises that many people who wish to visit Lord's on match days may have special requirements. The Club welcomes everyone to the Ground; details of the facilities and services available to spectators, especially those with special needs, are summarised below.

ACCESS

There is level access between areas in most parts of Lord's. • The Food Village and the Harris Garden are accessible via level access roadways. • The Ticket Office, Coronation Garden and The Lord's Tavern Bar & Brasserie (located by the Grace Gate) are served by ramps. • On each staircase, every step is painted with a yellow line, two inches in width. • Access to the Grand Stand, Mound Stand, the Lower Tiers of the Compton and Edrich Stands and the Tavern Concourse may be made via short staircases. • Passenger lifts can be used to reach the upper tiers of the Grand and Mound Stands. • Applicants are asked to make it clear, when they apply, that their comfort would be enhanced by being provided with tickets which admit to seats at ground level, or to seats to which access may be made via a short staircase.

AUDIO DESCRIPTION

M.C.C. has launched an audio description service, to enable blind and partially sighted ticket holders to receive a ball-by-ball commentary on every match played at Lord's. Headsets are available from stewards or from the Head Steward's Office (which is located at the rear of the Mound Stand).

DISABLED PERSONS' LAVATORIES

These are located in the following areas: Pavilion (ground level, by the North Door entrance); Mound Stand (ground level); Warner Stand (ground level); North Clock Tower (ground level); Grand Stand west (ground level); and Grand Stand east (ground level). • Access to such facilities is by use of a RADAR key. Anyone who requires access but is not in possession of a RADAR key is asked to contact the nearest steward. • These facilities have emergency lighting and audio alarms fitted which users may operate should they so require. • All lavatories at Lord's have non-slip floors.

INDUCTION LOOP

There is an induction loop fitted within the Grand Stand. Those persons who have hearing aids fitted should set their devices to the 'T' position.

LIFTS

The lifts which serve the Grand Stand and Mound Stand are accessible from level-access roadways. • All passenger lifts within Lord's are fitted with emergency telephones, directly connected to the Grace Gate. • Push buttons within all lifts at Lord's are low-level and can be operated by wheelchair users. The buttons also have enhanced tactile signage to assist those who are blind or partially sighted.

PARKING

Further information regarding the special arrangements which M.C.C. makes for car parking, and details of car parks which are situated within a mile or so of the Ground, will be sent to all successful applicants. Although no car parking is available within the Ground, Set-Down-and-Pick-Up Passes may be obtained from the M.C.C. Club Facilities Department (telephone: 020 7616 8653).

SIGNAGE

All signage inside Lord's and at the entrances to the Ground has upper- and lower-case lettering, with a high contrast between the characters and the background colours of the signs, for ease of visibility.

STEWARDS

M.C.C. stewards are trained to assist spectators with special needs if necessary.

WHEELCHAIR ENCLOSURES

On major match days, there are two special enclosures within Lord's for spectators who are confined to wheelchairs, and their companions. These enclosures are in front of the Warner and Mound Stands. It should be noted that whilst both areas offer excellent, unobstructed views of the cricket, neither of these areas is under cover. • Dedicated stewards will be available to assist spectators in both Wheelchair Enclosures. • For safety reasons, the Warner Stand Wheelchair Enclosure may not be available on non-major match days. Availability of these areas should be checked, by those who wish to use them, upon arrival at the Ground. • Tickets for the Wheelchair Enclosures will be allocated by a ballot, and full details are printed on the application form.

Holders of such tickets, which may be stolen, shall be refused admittance to the Ground or removed from the Ground and interviewed by the Metropolitan Police.

1. Tickets for use by members of the General Public will, in the event of an oversubscription, be allocated by ballots held on Monday 23rd February. The ballots will be held in respect of each major match day. The purpose of the ballots is to distribute all available tickets amongst as large a number of applicants as possible. Applicants should be aware that success in each ballot is not guaranteed. All applicants must agree to adhere to the Conditions for the Sale of Tickets as printed herein.
2. For the inclusion in the ballots, applications for tickets must be made by sending in a completed official Application Form or by submitting an order via the Club's internet facility, by *Friday 20th February 2009*. A postal applicant who wishes his or her tickets to be allocated next to those of another applicant, must ensure all forms are returned to M.C.C. in the same envelope with a brief covering note. Internet applicants must email the Club with the confirmation order numbers of the applicants wishing to be seated together.
3. A booking fee is payable to applications received by post, which is £5 for a cheque payment, or £3 for Credit or Debit Cards. 4. Applicants must pay by credit or debit card, postal applicants may also submit an Open Cheque endorsed to an upper limit equal to the value of the tickets requested, including the booking fee. Ticket office must be immediately advised of the new details of the Credit or Debit Card in order to avoid any delay in processing the application.
5. After the completion of the ballots, tickets will be allocated to successful applicants. For administrative reasons, applicants are asked not to enquire before *Thursday 9th April 2008*, as to the precise outcome of their applications. Applications which are received after the ballots have been held and will be dealt with in strict order of receipt.
6. A ticket must not be re-sold or transferred, save that if more than one ticket is allocated to an applicant, those tickets may be used only by the applicant and the person or persons intending to accompany such applicant to Lord's. An applicant may transfer or re-sell a ticket at face value to a person who intends to accompany him or her, but no person shall re-sell or attempt to re-sell any ticket or tickets for an amount of money greater than the value printed on each ticket. 8. A duplicate ticket, issued as a replacement for any ticket which has been stolen, lost or temporarily mislaid, will be issued by M.C.C. only on production of a written statement *by the person who originally purchased the ticket*. An administrative charge of 10% of the face value will be made for each duplicate ticket.
9. Any ticket acquired in breach of these Conditions shall be null and void. M.C.C. shall be entitled to confiscate or invalidate any ticket or tickets which are offered for sale or acquired in contravention of these Conditions. All tickets are sold subject to the M.C.C. Refunds cannot be made in any other circumstances, or for any other match. If the original applicant has to return tickets to M.C.C. the Club will attempt to re-sell such tickets and a charge of 10% of the face value of each ticket will be deducted by M.C.C. from the proceeds of such sales. Public Stand tickets returned in this manner will not be offered for sale by M.C.C. until all remaining tickets for the relevant day, available for allocation under these Conditions, have been issued. Under no circumstances will M.C.C. guarantee the resale of any returned tickets. It must be noted that tickets may be returned only by the original applicant.
11. The Conditions for the Sale of Tickets constitute the Conditions under which tickets are allocated to First Class County Cricket Club members and members of the General Public.
